Healthcare Facility Reportable Events

This system is for the electronic submission of reportable events unrelated to the Patient Safety Act.

ACUTE CARE FACILITIES

> **Facility Types:** General Acute Care Hospitals, Satellite Emergency Department (SED), Psychiatric Hospital, Special Hospital, Dialysis Centers, Ambulatory Surgery Centers
>
> For any questions regarding reporting requirements, URL/Access codes or how to submit a report please contact hfel.events@njlincs.net or 800-792-9770.
>
> To submit your reportable event, you do not need a USER ID and password to log into Hippocrates. Each facility was provided a facility specific URL and access code to submit their reports. Click on your facility specific URL and enter the access code when prompted. This will open the form specific to your facility.

LONG TERM CARE FACILITIES

> **Facility Types:** Nursing Homes, Assisted Living Residence, Residential Health Care, Comprehensive Personal Care Home
>
> For any questions regarding reporting requirements, URL/Access codes or how to submit a report please contact hfsfo.events@njlincs.net or 800-792-9770.
>
> To submit your reportable event, you do not need a USER ID and password to log into Hippocrates. Access the generic site for surveys: https://hippocrates.nj.gov/access
>
> You will then be asked to enter your three (3) facility specific codes, then click submit. This will open the form specific to your facility.
